```
          C                 Am
When the night has come

And the land is dark
         F            G7                C
And the moon is the only light we'll see
      C                      Am
No I won't be afraid, no I won't be afraid
         F            G7          C
Just as long as you stand, stand by me

C                                                Am
And darlin', darlin', stand by me, oh now now stand by me
        F     G7             C
Oh now stand,   stand by me,   stand by me.

        C                     Am
If the sky that we look upon

Should tumble and fall
          F                G7              C
And the mountains should crumble to the sea
         C                      Am
I won't cry, I won't cry, no I won't shed a tear
         F            G7          C
Just as long as you stand, stand by me

C                                                Am
And darlin', darlin', stand by me, oh now now stand by me
        F     G7             C
Oh now stand,   stand by me,   stand by me.

C                                                                    Am
Whenever you're in trouble won't you stand by me, oh now now stand by me
        F     G7             C
Oh now stand,   stand by me,   stand by me.

C                                                Am
And darlin', darlin', stand by me, oh now now stand by me
        F     G7             C
Oh now stand,   stand by me,   stand by me
