Stand by me

By Ben E. King

When the night has come

And the land is dark

And the moon is the only light we'll see

No I won't be afraid, no I won't be afraid

Just as long as you stand, stand by me

And darlin', darlin', stand by me, oh now now stand by me

Oh now stand, stand by me, stand by me.

If the sky that we look upon

Should tumble and fall

And the mountains should crumble to the sea

I won't cry, I won't cry, no I won't shed a tear

Just as long as you stand, stand by me

And darlin', darlin', stand by me, oh now now stand by me

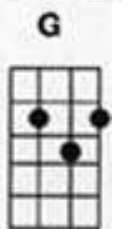

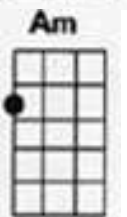

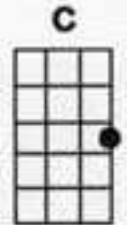

Oh now stand, stand by me, stand by me.

Whenever you're in trouble won't you stand by me, oh now now stand by me

Oh now stand, stand by me, stand by me.

And darlin', darlin', stand by me, oh now now stand by me

Oh now stand, stand by me, stand by me.

Brand New Key lyrics

I rode my bicycle past your window last night
I roller-skated to your door at daylight
It almost seems like you're avoiding me
I'm okay alone but you got something I need

Well, I got a brand new pair of roller skates
You got a brand new key
I think that we should get together
And try them out you see

I been looking around awhile
You got something for me
Oh, I got a brand new pair of roller skates
You got a brand new key

I ride my bike, I roller skate don't drive no care
Don't go too fast but I go pretty far
For somebody who don't drive
(From: <http://www.elyrics.net/read/m/melanie-lyrics/brand-new-key-lyrics.html>)

I been all around the world
Some people say, I done all right for a girl

Oh, yea, yea, oh, yea, yea, yea
Oh, yea, yea, yea, yea, yea, yea

I asked your mother if you were at home
She said yes but you weren't alone
Oh, sometimes I think that you're avoiding me
I'm okay alone but you got something I need

Well, I got a brand new pair of roller skates
You got a brand new key
I think that we should get together and try them out to see
La la la la la la la, la la la la la la
Oh, I got a brand new pair of roller skates
You got a brand new key
